### **BLUE SPRINGS MAN GETS** PARDON BOARD PLACE

JACKSON, Miss., Feb. 13. (Spl.)—Gov. Bilbo has appointed Jos. Beasiey, of Blue Springs, as member of the state board of pardons, to succeed Thos. Lilly, who recently resigned to accept a place as sergeant on one of the prison farms.

a place as sergeant on one of the prison farms.

It is expected that the board of pardons will be deluged with work this year, due to the fact that the present administration is drawing to a close, and there will be only a few more aittings of the present body. The board was created at the beginning of the Bibbo administration. In former years the final year of a governor's term always brought to the executive office more appeals for clemency than were clied for the three previous years of the change of system will check the deluge, despite the fact that the governor is now merely a figurehead in the matter of readons, giving formal appreval to the lists of names submitted for clemency by the board of pardons.
